## About Us

Established in the year 2005, Lakshmi Industrial Equipments with ISO 9001-2008 & ISO 9001:2015 certification is located in Coimbatore, Tamilnadu. We are engaged in manufacturing, supplying and exporting machineries related to processing of **Coconuts, Salt & Tea**, in addition to manufacturing Conveyors and other industrial machineries.

## Mission

To cater the best machineries manufactured in accordance with Industrial Standards using the best raw materials at a very reasonable cost.

## Vision

Maintain the reputation that has been earned since all these years. Already exported machineries to more than 44 countries, our service and quality has gained more customers through word of the mouth. Not to mention repeated orders from existing customers.

# Timeline of Lakshmi Industrial Equipments

Based in Southern part of India, Coimbatore, operates Lakshmi Industrial Equipments. **The leaders in manufacture and exporters of Coconut, Salt & Tea processing machineries.**

We are widely acclaimed around the globe for our **high performing, robust and user friendly machineries** that require less maintenance.

Our highly advanced infrastructural facility in 8200 sq.ft. space is laced with all the necessary machinery and equipments that help us in attainment of several of the firm's predefined goals and targets since 2005 under the leadership of Mr.Subburaj.G. He has managed to attain the present state of success. His impeccable management, improvisational skills, ability to understand the market and make decisions, is amongst our most valuable assets.

Social Media Marketing & word of mouth got us growing steadily. Our offered range comprises the finest Coconut Processing, Salt Processing & Tea Processing Machineries which are widely acclaimed and demanded for.

Making of this range is done in **compliance with the set industry norms and guidelines, utilizing the superior quality materials and modern technology** to ensure the product's performance and longer service life.

Our professionals are recruited on the basis of their skills, abilities and experiences. For reasons to manage their operations, the team has been parted into a number of highly operational units. In addition to this, to keep them updated in the ever changing field, training and seminar sessions are provided at regular intervals.

Lakshmi Industrial Equipments make coconut processing machines that are **stringently checked by R&D as well as quality analyst** to ensure the best is supplied to our customers.

Catering to the demands of customers within our country, our foresight and skilled planning have won the confidence of overseas customers that span over 40 counties around the globe.
